PROFESSIONAL SUMMARY

Finance & Cost Controller with six years of experience across the UAE and India in financial accounting, reporting, cost control and procurement. Act as the quality-control checkpoint before money moves — verifying invoices against purchase orders, controlling project costs, and producing the reports leadership relies on to decide. Strong across the full accounting cycle: month-end and year-end close, UAE VAT and Corporate Tax, AP/AR, bank reconciliation and end-to-end payroll under WPS. CMA (USA) candidate.

KEY ACHIEVEMENTS

- Cost-controlled AED 25M+ in project value and processed payroll for 250+ staff under WPS across roles.
- Prepared 2,500+ management reports and reconciliations; rebuilt the salary-preparation format from scratch, cutting errors and rework.
- Serve as the payment-verification checkpoint — catching pricing, quantity and item discrepancies before funds are released.

PROFESSIONAL EXPERIENCE

Finance & Cost Controller Oct 2025 — Present
BAAB Fit Out Contracting & General Maintenance L.L.C. — Abu Dhabi, UAE

- Own end-to-end project cost control in First Bit ERP — budgets, commitments and actuals — giving leadership a live view of margins.
